McMinnville College Bulletin

Vol. XVI *June, 1919* *No. 3*

Published quarterly by McMinnville College, and entered March 4, 1904 at McMinnville, Or., as second-class matter under act of Congress, 1894.

The Commencement Exercises

Repeating the inovation of last year McMinnville College held the Commencement exercises on Friday, Saturday and Sunday, June 13, 14 and 15, closing with an attendance of fully 1,300 people on Sunday evening. At this service the valedictory oration was delivered by Mr. George A. Pollard, the Baccalaureate sermon was preached by Dr. Walter Benwell Hinson and the diplomas and commencement announcements presented by President Riley. On Sunday morning the address before the Christian Associations was made by Rev. W. E. Henry, Pastor of the First Baptist Church, Everett, Washington. On Saturday evening Rev. George F. Holt, D. D., of Salem, Oregon, addressed the class graduating from the Preparatory Department. On Saturday afternoon the 1894 Oratorical Contest was won by Mr. Irl S. McSherry of Milton, Oregon and on Friday afternoon the Alice Schmidt Declamation Contest was won by Miss Isabel Crouch of Seattle, Washington. The Concerts and Recitals of the Conservatory of Music and the numbers provided for the other exercises were of their usual high order of excellence. Taking all in all it was a glad season and the students returned to their homes with greater enthusiasm and earnestness than ever before.

ITEMS FROM THE PRESIDENT'S REPORT

No removal by death of any member of Trustees, Faculty or student body during the year notwithstanding much illness due to the epidemic of influenza.—No change in Faculty during the year.—Resignations at close of year of Dr. George R. Varney, Miss Ida May Pope and Miss Mattie A. Watson.—Election of Miss Margaret L. Mann, President Riley's Secretary for six and one-half years, as teacher of Stenography and Typewriting to succeed Miss Pope.—Election of Professor G. R. Schlauch of Spokane University, as teacher of Philosophy and Public Speaking to succeed Dr. Varney.—Election of Mr. Cyril F. Richards as instructor in the Preparatory Department following his year as acting Professor of Chemistry and Physics.—Announcement of return of Professor E. B. VanOsdel as Professor of Chemistry and Physics after year in Y. M. C. A. work.—Election of Miss Florence Whyte of St. Maries, Idaho, as teacher of French and Spanish.—Reappointment of Pastor Charles L. Trawin as teacher of college classes in Bible.—Increases in the salaries of all the Faculty.—Reg-

istration of students reached a total of 174 notwithstanding the loss of practically all above eighteen years of age on account of the war. Of this number 102 were in college classes.—Professor Cyrif F. Richards elected Student Secretary for Summer of 1919.—Prospects of attendance for next year remarkably encouraging.—Service flag now contains 168 stars, six of which have turned to gold.—Rev. J. L. Whirry elected as Superintendent of Grounds and Buildings.—Buildings ordered put in best possible shape for the coming year.—Plans for new buildings still in process of development under direction of Mr. A. E. Doyle of Portland, Oregon.—President travelled 37,127 miles from June 1, 1918 to June 1, 1919 in the performance of his duties to the College and the denomination which he serves.

DEGREES CONFERRED

The Senior class numbered fifteen which is next to the largest ever graduated. Four received the degree of Bachelor of Arts: Mary Jane Davis of Ellensburg, Washington; George A. Pollard of Newberg, Oregon; Martin Storgaard of Yakima, Washington; and Willian Arthur Steele of Clarkston, Washington. Five received the degree of Bachelor of Philosophy: Jesse W. Curtis, Nez Perce, Idaho; Mary Hackett, McMinnville; Clara M. Simonson, McMinnville; Iva Catherine Snyder, Ferndale, Washington and Mary Stewart, Alturas, California. Four received the degree of Bachelor of Science: Earl Morin of Dayton, Oregon; Axel C. E. Osterholm, Stockholm, Sweden; Paul A. Scott, Independence, Oregon and Verne D. Snyder, Ferndale, Washington. Two received the degree of Bachelor of Music: Esther Louise Smith, Yakima, Washington and Gladys H. Strong, Roseburg, Oregon.

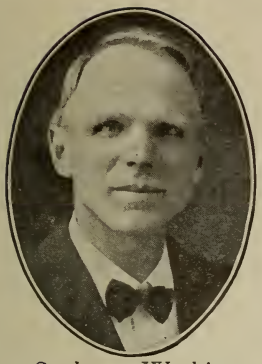
DIPLOMAS AND CERTIFICATES

Diplomas were awarded to the following for the completion of the Preparatory Course: Wakefield P. Fletcher, Winlock, Washington; Ellen M. Mylne, McMinnville; Violet M. Peterson, Burlington, Washington; Emily B. Shotwell, Hermiston, Oregon; Philip L. Varney, McMinnville; Helen B. White, Laclede, Idaho and Thomas D. Wyatt, of Baker, Oregon. Miss Lulu Edna Coe received a diploma for the completion of the course in Piano.

NEW TRUSTEES

The new members of the Board of Trustees for the term ending in 1922 are Rev. Ora C. Wright, D. D., Portland, Oregon; Rev. J. F. Watson, D. D., Seattle, Washington; Rev. A. H. Bailey, Spokane, Washington; Rev. G. Clifford Cress, Lewistown, Montana. Rev. A. B. Minaker, Boise, Idaho, was elected to fill the vacancy in the class of 1921 caused by the resignation of Mr. A. C. Chandler who has lately removed to Astoria and finds it impossible to attend the meetings of the Board. These men are the Superintendents of Missions of the Baptist Conventions of the Northwest. In view of the new movements of the present day which regard Christian education as a vital part of the missionary propaganda it was felt that these men should be thus closely identified with the only Baptist College in the Pacific Northwest. With one exception all have already signified their acceptance of this additional responsibility.

PROFESSOR G. R. SCHLAUCH



The Board of Trustees regretted the departure of Dr. Varney from our Faculty but rejoiced in the privilege of electing Professor Gustav R. Schlauch as his successor in the department of Philosophy and Public Speaking. Mr. Schlauch was a classmate of Dr. Varney's in both the Rochester University and the Rochester Theological Seminary, graduating from the former in 1894 and the latter in 1897. He has served acceptably as both pastor and teacher in Eastern Washington, For a time he was President of Colfax College and for the past four years has been one of the most successful Professors in Spokane University at Spokane, Washington. He is a student and scholar of proved ability who will make a strong addition to the already able corps of teachers in McMinnville College.

MISS MARGARET L. MANN

The strain of the daily work in the class room led to the resignation of Miss Ida May Pope who is to be succeeded as teacher of Stenography and Typewriting by Miss Margaret L. Mann. Miss Mann graduated from the Link Business College at Boise, Idaho, and from McMinnville College in 1917 with the degree of Bachelor of Philosophy. She is an excellent student who lacked but a small fraction of being valedictorian of her class notwithstanding the fact that she served as Secretary to the President during the four years of her college life. For the past two years she has given full time as Secretary to the President and to the Treasurer of the College. During the Summer she will study in Portland along the line of her specialty. Her thoro training and her experience as a stenographer and typewriter will prove a great asset to the pupils who will elect to study stenography and typewriting under her.

MISS FLORENCE WHYTE

The election of Miss Florence Whyte as teacher of French and Spanish adds one to the number of our Faculty for the year 1919-1920. Her coming will lighten the load of Professor Gardiner and add a new subject to our curriculum. Miss Whyte was born in Mexico and has spoken Spanish from her earliest days. She is equally fluent in the use of French and has had wide experience in the teaching of both these languages. She graduated from the University of California in 1915 and was a member of its Faculty for one year during which time she classified and cataloged Spanish books and literature. A similar service for two years was rendered while she was a member of the Faculty of the University of Minnesota. Her election provides excellent advantages for those of our students who pursue the study of French and Spanish.

MR. CYRIL F. RICHARDS

"Cy," as he is familiarly known to both Faculty and students, graduated from McMinnville College in 1918. So commendable a record did he make both as student and as student teacher that he was selected to fill the chair of Chemistry and Physics during the temporary absence of Professor E. B. Van Osdel. So satisfactory was his service in this capacity that at the recent meeting of the Board of Trustees he was elected to a place of his own on the Faculty. He will teach certain branches in the Preparatory department in order to release at least six of our Faculty from all teaching in this department. He will make the second addition to the Faculty for the coming year. During the Summer months he will serve as Student Secretary and has his plans laid to visit various points in Idaho, Washington and Oregon. He is a young man worthy of the confidence and support of all good Baptists in these states.

WHY NOT TEACH STENOGRAPHY

In many of the High Schools at the present time the Gregg system of shorthand is being taught, and the demand for teachers is greater than the supply. McMinnville College for the coming year is offering a course in Gregg shorthand and special training for the teaching of the same will be given if desired. In this connection special courses may be taken in teacher training in the department of Education.

A NEW DAY FOR CHRISTIAN EDUCATION

Never before has the outlook been so bright for such institutions as McMinnville College as it is today. The value of education was strikingly demonstrated during the war. The relation of Christian education to the missionary propaganda is being so recognized that those interested in missionary work are as never before turning their attention to the institutions which must supply the demand for trained missionary workers. The plans of the Inter-Church World Movement so far as made known place as strong an emphasis upon the Christian college as upon the actual work of the missionary whether at home or abroad. The new plans of the Northern Baptist Convention contemplate just as marked an advance in building up our educational institutions as in the development of our missionary work. Of the $100,000,000 to be raised in the next five years the sum of $24,485 000 is specifically designated to our various educational institutions. The confidence of the leaders of the Northern Baptist Convention in the work and future of McMinnville College is indicated by the fact that $500,000 of this immense sum is to come to this institution, one-half for new buildings and one-half for additional endowment. Just how these sums are to be raised and when they will be available is not yet known, but that our great denomination will go "over the top" in this magnificent new movement no one can reasonably doubt.

McMinnville College Bulletin

Vol. XV JUNE 1918 No. 3

Published quarterly by McMinnville College, and entered March 4, 1904, at McMinnville, Ore., as second-class matter under act of Congress, 1894.

A Good Year

In very many respects McMinnville College closed on June 2 the most remarkable year in all its history. The great war has made changes in all our activities, and has especially affected our colleges, some of them already disasterously. Our College sustained a loss in attendance, the total being reduced from 263 the preceding year to 217 this year. Among these were ninety-three young men. This number fairly well filled our Chapel and Campus so that the work moved on with little noticeable change from former years. The spirit of the students was much more serious than in former years, and tho the work opened on October first and closed on June second, yet the regular work was fully completed. The income during the year was sufficient to meet all the expenses of the year and reduce the indebtedness by about $3,000. This was due to the fact that our endowment campaign ended before the war began and our contributors have to a very large extent been faithful to their assumed obligation. The moral and spiritual tone of the College during the year was the best, Professor Northup states, he has known in the thirty years of his connection with the institution. Less than half-a-dozen remained at the end of the year who had not made profession of faith in Jesus Christ.

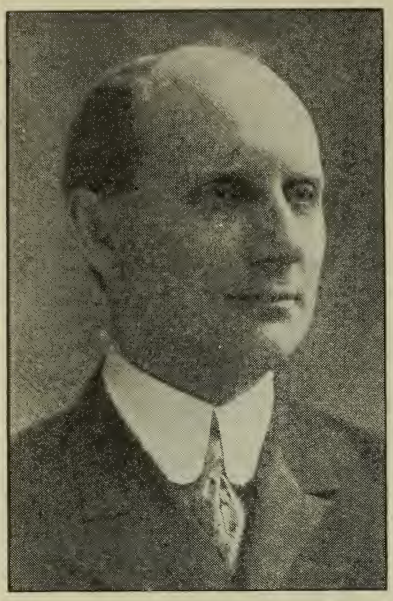
THE COMMENCEMENT EXERCISES

An innovation in commencements was introduced this year. Owing to the fact that May 30 was a holiday the Faculty voted to close the regular work on the 29th and have the exercises on the Friday, Saturday and Sunday following, ending all with a combination of the Baccalaureate sermon and the commencement exercises usually occurring on Wednesday morning. This worked out very satisfactorily bringing the most largely attended service at the close.

The sermons and addresses this year were delivered by Rev. Arthur F. White of LaClede, Idaho, Rev. W. B. Hinson, D. D., Portland, and Pastor Charles L. Trawin of McMinnville. The various recitals, oratorical contests and concerts showed excellent training on the part of Mrs. Potter, Miss Lawrence and Dr. George R. Varney. The attendance at the meeting of the Board of Trustees on Saturday, June 1, was much larger than expected due to the changing of the date of meeting. It was a most profitable meeting, the spirit indicating surprise at the splendid outcome of the year's work and gratitude therefor. The Trustees are confident of the future of our College.

UNIVERSITY OF ILLINOIS
JUL 7 1918
Administrative Library

REV. CHARLES L. TRAWIN



For the ensuing year the Bible classes in the College will be conducted by Pastor Charles L. Trawin. Those who are acquainted with him will rejoice to know that our young people are to be in such good hands. The demands of a busy pastorate are many, yet Pastor Trawin gladly agrees to take on this extra burden in order to get into closer touch with the young people of the College and "as a war measure" which enables the Trustees to add slight increases to the teachers whose incomes are far below what they ought to be.

DEGREES CONFERRED

The Senior class numbered thirteen, of whom one, Andrew Virgil Wakeman, received the degree of Bachelor of Arts; seven, Carey Wood Bishop, Alta Vita Black, Elsie Adelia Browning, Lily C. Christensen, Ida Catherine Himes, Frederic Elgin Parkes, and Bina Frances Reeves, received the degree of Bachelor of Philosophy; four, Raymond Frederick Bueermann, Roger E. Elder, Ruth Catherine Hunter and Cyril F. Richards, received the degree of Bachelor of Science and one, Martha Judson Lathrop, the degree of Bachelor of Music. The commencement speakers were Lily C. Christensen, Frederic E. Parkes and Roger E. Elder, valedictorian.

DIPLOMAS AND CERTIFICATES

Diplomas were awarded to the following for the completion of the Preparatory Course: Milton Evans Coe, Loda Helene Davis, Lorraine Hinson, Jesse E. Manley, Avoca S. McMinis, Emanuel Northup, Jr., Ethel Ranney, John Kenneth Riley, Linna Blythe Vaile, Bernice Varney, Ruth M. White and Enid Bell. The College scholarship was won by Miss Ethel Ranney. Two certificates were awarded for the completion of courses in the Conservatory, one in Voice to Helen Wilda Anderson and one in Piano to Miss Lucile Nutley.

MISS LAWRENCE GOES TO CHINA

After four years of most satisfactory service in our Conservatory Miss Jane Lawrence resigned to accept an appointment under the Foreign Missionary Society as teacher at Ningpo, China. Miss Lawrence is a graduate of our Conservatory who combines excellent ability and training with remarkable tact, good judgment and Christian character. Our best wishes will follow her in the new work.

MISS POPE RETURNS

For the third time Miss Ida May Pope returns to McMinnville College as teacher of Stenography and Typewriting. One year ago her health was such she felt compelled to take a complete rest. This she has had, and in addition has secured some experience in office work which will make her the more valuable as a teacher. Miss Pope has continued her study of French under a competent teacher and returns prepared to offer courses in French stenography should there be a demand for such instruction. Miss Pope has thoroly demonstrated her ability to turn out first-class stenographers and the friends of the College rejoice in her return.

NEW TRUSTEES

The new members of the Board of Trustees for the term ending in 1921 are Rev. William A. Waldo, D. D., of the First Baptist Church, Portland, and Rev. Charles L. Trawin, of the First Baptist Church, McMinnville. Dr. H. L. Toney, Mayor of McMinnville, was elected by the Alumni to fill the unexpired term occasioned by the death of Judge J. B. Dodson. The officers of the Board were all re-elected for the ensuing year.

DR. ALBERT LOUGHRIDGE

The presence of Dr. Loughridge during the past year was a real benediction. His store of knowledge probably exceeds that of any other man in this part of the country. His ability as a public speaker made constant demands upon him for addresses on various occasions. His beautiful Christian spirit was manifest always and everywhere. His Chapel talks were among the best ever given to our students and will not soon be forgotten. We trust he will continue to reside in McMinnville.

SUMMARY OF TREASURER'S REPORT
June 1, 1917 to June 1, 1918

Income	$ 35,528.76
Expenses	31,609.91
Income excess	$ 3,918.85

General Assets

Value of Plant	$103,559.10
Bills Receivable	1,500.00
Accounts Receivable	1,199.26
Cash on Hand	1,226.72
Total	$107,485.08
Liabilities	32,794.83
Net General Assets	$ 74,690.25

Endowment Assets

Mortgage Loans	$128,850.00
Bonds, Gov. & Mun.	41,803.40
Board of Education	49,550.00
Notes in Process of Col	95,990.10
Cash	,473.57
Total	$316,667.07
General Assets	74,690.25
Total Assets	$391,357.32

A NEW MUSIC TEACHER

As a successor to Miss Lawrence the Board of Trustees elected Miss Mattie A. Watson who completed her work in piano in 1915 at Baylor University, Waco, Texas. Miss Watson has had a successful experience as teacher of Piano in Decatur Baptist College, Decatur, Texas, and for the past year has been studying under the direction of Mr. Frank La Forge in New York City. She comes with the very highest recommendations as a pianist, a teacher and a Christian worker who will doubtless maintain the high standards of our Conservatory of Music.

DESCRIPTION OF ENDOWMENT ASSETS, JUNE 1, 1918

	Rate	Net Yield	Par Value	Purch. Price	
Notes:					
Baptist Board of Education	5%			$49,550.00

DEC 27

McMinnville College Bulletin

VOL. XVI. DECEMBER, 1918 NO. 1

Published quarterly by McMinnville College, and entered March 4, 1904, at McMinnville, Ore., as second-class matter under act of Congress, 1894.

Dr. Claiborne A. Wooddy

Born on February 8, 1856. Died on November 9, 1918

A TRUSTEE AND FRIEND OF OUR COLLEGE

DR. C. A. WOODDY

This big-bodied, broad-minded, great-hearted man of God passed to his reward on Saturday, November 9, 1918, at his home in Portland. On the preceding Thursday he had spent the day in his office as usual. A stroke of paralysis, affecting the left side, rendered him unconscious soon after his return home in the late afternoon. Another stroke came shortly before the end. Thus was removed from us one of the greatest men the Pacific Coast has yet produced.

While interested in all phases of denominational work he was especially devoted to the interests of our College. While a student here he was converted and was baptized in Cozine Creek which flows across our Campus. He was one of several students who went with President Johnson from McMinnville College to the University of Oregon. He was a Trustee of the College and one of our most trusted counselors. Those who desire a fuller statement concerning his life and work will find it in the issue of The Pacific Baptist for the week ending November 30, 1918. "Know ye not that there is a prince and a great man fallen this day in Israel?" 2 Sam. 3:38.

WHERE THEY NOW SERVE

The graduating class of 1917 numbered 16, our largest. The class of 1918 numbered 13, standing next highest notwithstanding the inroads of the war. Each one went forth as an earnest Christian to serve his own generation in the fear of the Lord. We confidently expect to hear excellent reports from every one of them. They are now located as follows:

Carey Wood Bishop, Naval Aviation Corps, Seattle, Washington.

Alta Vita Black, Principal, High School, Yamhill, Oregon.

Elsie Adelia Browning, Teacher, Latin and History, Roachdale, Indiana.

Raymond F. Bueerman, Interpreter, France.

Lily C. Christensen, Teacher, High School, Falls City, Oregon.

Roger E. Elder, Infantry, Officers Training Camp, Georgia.

Ida C. Himes, Teacher, History, High School, McMinnville.

Ruth C. Hunter, Student, University of Washington, Seattle.

Martha J. Lathrop, Teacher, High School, Emmett, Idaho.

Frederic E. Parkes, Artillery, Fort Scott, California.

Bina F. Reeves, Teacher, High School, Lafayette, Oregon.

Cyril F. Richards, Teacher, Chemistry and Physics, McMinnville College.

Andrew V. Wakeman, U. S. Receiving Ship Hartford, Charleston, S. C.

CHANGE IN TEACHING STAFF

A portion of the Summer vacation was spent by Professor Edgar B. Van Osdel in the Y. M. C. A. service at Camp Lewis. In this capacity he proved himself so competent a workman and his services seemed so in

demand by those in charge that the Executive Committee of the College granted him a year's leave of absence to continue in the work. Fortunately the College found a satisfactory substitute in the person of Mr. Cyril F. Richards of the Class of 1918. Mr. Richards is in a peculiar sense a product of McMinnville College having had both his Preparatory and his Collegiate training here. He is a thoro student, possessed of a strong Christian character, who will doubtless measure well up toward the high standards of his predecessors in our department of Chemistry and Physics.

A CAMPAIGN FOR NEW BUILDINGS

This campaign will mark the next great epoch in the life of our College. Every one who has visited the institution will acknowledge our need of new buildings. It is becoming critical, almost painfully so. Our patrons will remember that our general program called for endowment first and buildings second. We now have a goodly endowment which will enable us to keep things going for the present. We are having the Campus plans completed under the direction of Mr. A. E. Doyle of Portland, and the tentative plans of the first three of the new buildings, an administration building, a gymnasium and the first unit of the girls' dormitory. For these buildings and the payment of all outstanding accounts and the expenses of the campaign we should raise not less than $200,000. The campaign would be facilitated if some one would agree to donate enough to erect one of these buildings and give it a good name. It would be made still easier if some one would agree to add a certain amount to the present endowment for each dollar given for the new buildings. Our Liberty Bonds could not be invested in any better way.

MONTANA BAPTISTS APPROVE McMINNVILLE COLLEGE

At the recent State Convention held at Bozeman the Baptists of Montana adopted the following resolution:

"We, your committee, believing that McMinnville College represents the ideals in education endorsed by the Northern Baptist Convention recommend that to it and to the Berkeley Divinity School we give our moral and financial support and that they be recommended to the young people of our churches."

Another action followed this: "Moved and carried that we give a place in our apportionments for systematic giving toward these institutions."

These actions are in full accord with the similar action taken at the Convention which met in Billings, Montana, in September, 1907. Since that date we have regarded Montana as officially a part of the field of our College and rejoice at this new evidence of the confidence which our brethren in Montana have in our College. Rev. G. Clifford Cress is the most efficient Executive Secretary of this Convention.

McMINNVILLE COLLEGE AND THE GREAT WAR

The following list represents the response of the students and alumni of McMinnville College to the Government's call for men. Here are the names of 159 splendid young men of whom we may well be proud. It is our desire to have a complete list of all former students who have been in any branch of the service. Additions, therefore, and any corrections will be appreciated.

GOLD STARS ON OUR SERVICE FLAG

We rejoice in the large number of our boys who responded to the call of Uncle Sam. We are thankful that the lives of the great majority of them escaped the ravages of war and disease. Nevertheless we mourn the loss of five of our boys and extend to their parents and loved ones our heart-felt sympathy. *Floyd E. Reavis* was a Freshman last year coming from Midvale, Idaho. At the close of the college year he was sent to Camp Lewis, and almost immediately thereafter to France. He died soon after his arrival of pneumonia on September 5. *Paul Hunter* was a member of our Sophomore class last year. He had spent four years with us. He entered the S. A. T. C. at the University of Washington, contracted pneumonia and died on October 13. *Emanuel Northup, Jr.*, graduated from our Preparatory department last June after four years with us. He entered the S. A. T. C. at the University of Oregon and passed away on October 21. *Charles S. Scott* died at Detroit, Michigan, on October 22. He had his full college course with us, graduating in the Class of 1915. After two years at the Rochester Theological Seminary he enlisted in the Aviation Corps. *Hugh Broomfield* was in the Aviation Corps and was in service in France, where he was killed in action. He spent one year here, and afterward graduated from Reed College. He is reported to have been killed on October 21.

FIRST SEMESTER ENROLLMENT

The establishment of Student Army Training Corps in certain institutions and the enlistment therein of students between the ages of eighteen and twenty-one took away from McMinnville College most of the young men who have not previously entered some department of the service. In view of this loss the following report of our Registrar is very encouraging and speaks eloquently of the warm place our College has in the hearts of its constituency:

	Men		Women	Total
College	20		59	79
Preparatory	16		25	41
Conservatory 5		48		
Duplicates 4	1	34	14	15
Total	37		98	135

It will interest some to know that the Senior class numbers thirteen; the Junior, fourteen; the Sophomore, twelve; and the Freshman, forty.

AN ENFORCED VACATION

In order to assist our farmers and fruitgrowers the college opening was postponed until October first. After two weeks of work the Spanish influenza closed our doors for three weeks and three days. They were opened again on Thursday, November 14. There is much work to make up in order to complete the semester and the Faculty has voted to have

but one week of vacation at Christmas time and to extend the first semester one week into the second, closing on February seventh instead of January thirty-first as scheduled in the Calendar. Many of the teachers assigned so much work for each day of the closed period which fact, with the extra time, will enable all by extra hard work to cover the usual ground. The Faculty also voted to extend the second semester from June eleventh to fifteenth, closing the commencement exercises on Sunday evening as was done last June.

NO TUITION FEE

The Executive Committee of the Board of Trustees has decided to charge no regular tuition fee to all former students who have been in the service, and who wish to return to McMinnville College, for the rest of this year. This does not, of course, include the incidental and laboratory fees, but does include the regular college or preparatory fee. The second semester opens February 10.
